Subject: water rate hike

Dear AZCC, Once again Mr. Joe Cordovano of the Appaloosa water company wants to raise our water rates again. To the tune of 100%!!! Our water rates here in Appaloosa Meadows is higher than everyone else around here, higher than Chino Valley itself! Is it because of last years foreclosures in our tract or maybe it's because he wrote himself a pay raise to the tune of 45%! Please look into this rate hike and hopefully we could be even with surrounding towns in our rates or if a hike is approved, to be raised to a correct percentage. Thank-you Donald Lasky, [REDACTED] AZ 86323
